

AFL Alexa Skill Privacy Policy

The AFL Alexa Skill is developed and maintained by Telstra Corporation Limited.

Telstra Privacy Statement

Download the [Telstra Privacy Statement](#) (PDF)

What information does the AFL Alexa Skill collect?

We do not collect any personally identifiable information. We do collect some information specific to each Alexa user, linked to the anonymous Alexa identifier:

- Your favourite team
- Your preferred radio station for listening to live games

How is this information shared?

The information listed above is not shared with any third party.

How can I remove any collected information?

You can interact with the AFL Alexa Skill and request removal of the above information via any of the following statements:

- Clear my settings
- Discard my data
- Forget my preferences
